

LETTER FROM THE FOUNDERS

First let us welcome you to K2U Bowling Studio. We are very excited to launch this content site and that you have decided to join us from the very beginning.

A little about us. Our passion is bowling and yes we bowl as much as we can. We are coaches, pro shop owners/operators, bowling center owner and oh did we say avid bowlers. We love bowling in league and competing in tournaments as time allows. We have decided to bring you K2U Bowling Studio as we feel it is time for a more modern approach to providing you with content that is entertaining and educational.

Each month we will release a new Publication full of exciting content. This Publication will include articles on bowling balls, lane play and so much more. We hope to keep you entertained and that you learn something new that can help you improve your game. If you haven't already make sure you check out our podcast "Mike'd Up".

If you have any questions or would like us to discuss a certain topic you can send a message to **k2u@keybowling.com**. We would love to hear from you.
